

The 6th National Festival & Exhibition on Medicinal plants, Natural Products & Traditional medicine of Iran

1-4 Nov - 2022

INPTM Expo Advantages

All companies who are participating in the INPTM exhibition, have great infrastructure and abilities to produce herbal medicines with the highest standards and technologies.

From Each sector, top ten producers will participate in B2B conference in the export pavilion.

Also, in this exhibition, there are fascinating sectors such as the introduction of regional capabilities for herbal medicines. There are hopes to introduce the opportunities to invest in it.

Also, there are many domestic VCs to expand and guarantee joint businesses with Iranian companies.

Hospitality

In case of acceptance of resume and proposal, all the hospitality of our dear visitors will be with the INPTM expo organizer.

In case of presence, all the visitors will have side programs like:

- Participating in Specialized meetings
- Visiting Technological centers
- Meeting with related authorities
